

DISCLOSURE REGARDING REAL ESTATE AGENCY RELATIONSHIP

(Buyer's Brokerage Firm to Buyer) (As required by the Civil Code) (C.A.R. Form AD, Revised 12/18)

[(If checked) This form is being provided in connection with a transaction for a leasehold interest exceeding one year as per Civil Code section 2079.13(j), (k) and (l).

When you enter into a discussion with a real estate agent regarding a real estate transaction, you should from the outset understand what type of agency relationship or representation you wish to have with the agent in the transaction.

SELLER'S AGENT

A Seller's agent under a listing agreement with the Seller acts as the agent for the Seller only. A Seller's agent or a subagent of that agent has the following affirmative obligations:

To the Seller: A Fiduciary duty of utmost care, integrity, honesty and loyalty in dealings with the Seller.

To the Buyer and the Seller:

- (a) Diligent exercise of reasonable skill and care in performance of the agent's duties.
- (b) A duty of honest and fair dealing and good faith.
- (c) A duty to disclose all facts known to the agent materially affecting the value or desirability of the property that are not known to, or within the diligent attention and observation of, the parties. An agent is not obligated to reveal to either party any confidential information obtained from the other party that does not involve the affirmative duties set forth above.

BUYER'S AGENT

A Buyer's agent can, with a Buyer's consent, agree to act as agent for the Buyer only. In these situations, the agent is not the Seller's agent, even if by agreement the agent may receive compensation for services rendered, either in full or in part from the Seller. An agent acting only for a Buyer has the following affirmative obligations:

To the Buyer: A fiduciary duty of utmost care, integrity, honesty and loyalty in dealings with the Buyer.

To the Buyer and the Seller:

- (a) Diligent exercise of reasonable skill and care in performance of the agent's duties.
- (b) A duty of honest and fair dealing and good faith.
- (c) A duty to disclose all facts known to the agent materially affecting the value or desirability of the property that are not known to, or within the diligent attention and observation of, the parties. An agent is not obligated to reveal to either party any confidential information obtained from the other party that does not involve the affirmative duties set forth above.

AGENT REPRESENTING BOTH SELLER AND BUYER

A real estate agent, either acting directly or through one or more salespersons and broker associates, can legally be the agent of both the Seller and the Buyer in a transaction, but only with the knowledge and consent of both the Seller and the Buyer.

In a dual agency situation, the agent has the following affirmative obligations to both the Seller and the Buyer:

- (a) A fiduciary duty of utmost care, integrity, honesty and loyalty in the dealings with either the Seller or the Buyer.
- (b) Other duties to the Seller and the Buyer as stated above in their respective sections.

In representing both Seller and Buyer, a dual agent may not, without the express permission of the respective party, disclose to the other party confidential information, including, but not limited to, facts relating to either the Buyer's or Seller's financial position, motivations, bargaining position, or other personal information that may impact price, including the Seller's willingness to accept a price less than the listing price or the Buyer's willingness to pay a price greater than the price offered.

SELLER AND BUYER RESPONSIBILITIES

Either the purchase agreement or a separate document will contain a confirmation of which agent is representing you and whether that agent is representing you exclusively in the transaction or acting as dual agent. Please pay attention to that confirmation to make sure it accurately reflects your understanding of your agent's role.

The above duties of the agent in a real estate transaction do not relieve a Seller or Buyer from the responsibility to protect his or her own interests. You should carefully read all agreements to assure that they adequately express your understanding of the transaction. A real estate agent is a person qualified to advise about real estate. If legal or tax advice is desired, consult a competent professional.

If you are a Buyer, you have the duty to exercise reasonable care to protect yourself, including as to those facts about the property which are known to you or within your diligent attention and observation.

Both Sellers and Buyers should strongly consider obtaining tax advice from a competent professional because the federal and state tax consequences of a transaction can be complex and subject to change.

Throughout your real property transaction you may receive more than one disclosure form, depending upon the number of agents assisting in the transaction. The law requires each agent with whom you have more than a casual relationship to present you with this disclosure form. You should read its contents each time it is presented to you, considering the relationship between you and the real estate agent in your specific transaction. This disclosure form includes the provisions of Sections 2079.13 to 2079.24, inclusive, of the Civil Code set forth on page 2. Read it carefully. I/WE ACKNOWLEDGE RECEIPT OF A COPY OF THIS DISCLOSURE AND THE PORTIONS OF THE CIVIL CODE PRINTED ON THE BACK (OR A SEPARATE PAGE).

CIVIL CODE SECTIONS 2079.13 – 2079.24 (2079.16 APPEARS ON THE FRONT)

2079.13. As used in Sections 2079.7 and 2079.14 to 2079.24, inclusive, the following terms have the following meanings:

(a) "Agent" means a person acting under provisions of Title 9 (commencing with Section 2295) in a real property transaction, and includes a person who is licensed as a real estate broker under Chapter 3 (commencing with Section 10130) of Part 1 of Division 4 of the Business and Professions Code, and under whose license a listing is executed or an offer to purchase is obtained. The agent in the real property transaction bears responsibility for that agent's salespersons or broker associates who perform as agents of the agent. When a salesperson or broker associate owes a duty to any principal, or to any buyer or seller who is not a principal, in a real property transaction, that duty is equivalent to the duty owed to that party by the broker for whom the salesperson or broker associate functions. (b) "Buyer" means a transferee in a real property transaction, and includes a person who executes an offer to purchase real property from a seller through an agent, or who seeks the services of an agent in more than a casual, transitory, or preliminary manner, with the object of entering into a real property transaction. "Buyer" includes vendee or lessee of real property. (c) "Commercial real property" means all real property in the state, except (1) single-family residential real property, (2) dwelling units made subject to Chapter 2 (commencing with Section 1940) of Title 5, (3) a mobilehome, as defined in Section 798.3, (4) vacant land, or (5) a recreational vehicle, as defined in Section 799.29. (d) "Dual agent" means an agent acting, either directly or through a salesperson or broker associate, as agent for both the seller and the buyer in a real property transaction. (e) "Listing agreement" means a written contract between a seller of real property and an agent, by which the agent has been authorized to sell the real property or to find or obtain a buyer, including rendering other services for which a real estate license is required to the seller pursuant to the terms of the agreement. (f) "Seller's agent" means a person who has obtained a listing of real property to act as an agent for compensation. (g) "Listing price" is the amount expressed in dollars specified in the listing for which the seller is willing to sell the real property through the seller's agent. (h) "Offering price" is the amount expressed in dollars specified in an offer to purchase for which the buyer is willing to buy the real property. (i) "Offer to purchase" means a written contract executed by a buyer acting through a buyer's agent that becomes the contract for the sale of the real property upon acceptance by the seller. (j) "Real property" means any estate specified by subdivision (1) or (2) of Section 761 in property, and includes (1) single-family residential property, (2) multiunit residential property with more than four dwelling units, (3) commercial real property, (4) vacant land, (5) a ground lease coupled with improvements, or (6) a manufactured home as defined in Section 18007 of the Health and Safety Code, or a mobilehome as defined in Section 18008 of the Health and Safety Code, when offered for sale or sold through an agent pursuant to the authority contained in Section 10131.6 of the Business and Professions Code. (k) "Real property transaction" means a transaction for the sale of real property in which an agent is retained by a buyer, seller, or both a buyer and seller to act in that transaction, and includes a listing or an offer to purchase. (I) "Sell," "sale," or "sold" refers to a transaction for the transfer of real property from the seller to the buyer and includes exchanges of real property between the seller and buyer, transactions for the creation of a real property sales contract within the meaning of Section 2985, and transactions for the creation of a leasehold exceeding one year's duration. (m) "Seller" means the transferor in a real property transaction and includes an owner who lists real property with an agent, whether or not a transfer results, or who receives an offer to purchase real property of which he or she is the owner from an agent on behalf of another. Seller" includes both a vendor and a lessor of real property. (n) "Buyer's agent" means an agent who represents a buyer in a real property transaction.

2079.14. A seller's agent and buyer's agent shall provide the seller and buyer in a real property transaction with a copy of the disclosure form specified in Section 2079.16, and shall obtain a signed acknowledgment of receipt from that seller and buyer, except as provided in Section 2079.15, as follows: (a) The seller's agent, if any, shall provide the disclosure form to the seller prior to entering into the listing agreement. (b) The buyer's agent shall provide the disclosure form to the buyer as soon as practicable prior to execution of the buyer's offer to purchase. If the offer to purchase is not prepared by the buyer's agent, the buyer's agent shall present the disclosure form to the buyer not later than the next business day after receiving the offer to purchase from the buyer.

2079.15. In any circumstance in which the seller or buyer refuses to sign an acknowledgment of receipt pursuant to Section 2079.14, the agent shall set forth, sign, and date a written declaration of the facts of the refusal.

2079.16 Reproduced on Page 1 of this AD form.

2079.17(a) As soon as practicable, the buyer's agent shall disclose to the buyer and seller whether the agent is acting in the real property transaction as the buyer's agent, or as a dual agent representing both the buyer and the seller. This relationship shall be confirmed in the contract to purchase and sell real property or in a separate writing executed or acknowledged by the seller, the buyer, and the buyer's agent prior to or coincident with execution of that contract by the buyer and the seller, respectively. (b) As soon as practicable, the seller's agent shall disclose to the seller whether the seller's agent is acting in the real property transaction as the seller's agent, or as a dual agent representing both the buyer and seller. This relationship shall be confirmed in the contract to purchase and sell real property or in a separate writing executed or acknowledged by the seller and the seller's agent prior to or coincident with the execution of that contract by the seller. CONFIRMATION: The following agency relationships are confirmed for this transaction:

(d) The disclosures and confirmation required by this section shall be in addition to the disclosure required by Section 2079.14. An agent's duty to provide disclosure and confirmation of representation in this section may be performed by a real estate salesperson or broker associate affiliated with that broker. **2079.18** (Repealed pursuant to AB-1289)

2079.19 The payment of compensation or the obligation to pay compensation to an agent by the seller or buyer is not necessarily determinative of a particular agency relationship between an agent and the seller or buyer. A listing agent and a selling agent may agree to share any compensation or commission paid, or any right to any compensation or commission for which an obligation arises as the result of a real estate transaction, and the terms of any such agreement shall not necessarily be determinative of a particular relationship.

2079.20 Nothing in this article prevents an agent from selecting, as a condition of the agent's employment, a specific form of agency relationship not specifically prohibited by this article if the requirements of Section 2079.14 and Section 2079.17 are complied with.

2079.21 (a) A dual agent may not, without the express permission of the seller, disclose to the buyer any confidential information obtained from the seller. (b) A dual agent may not, without the express permission of the buyer, disclose to the seller any confidential information obtained from the buyer. (c) "Confidential information" means facts relating to the client's financial position, motivations, bargaining position, or other personal information that may impact price, such as the seller is willing to accept a price less than the listing price or the buyer is willing to pay a price greater than the price offered. (d) This section does not alter in any way the duty or responsibility of a dual agent to any principal with respect to confidential information other than price.

2079.22 Nothing in this article precludes a seller's agent from also being a buyer's agent. If a seller or buyer in a transaction chooses to not be represented by an agent, that does not, of itself, make that agent a dual agent.

2079.23 A contract between the principal and agent may be modified or altered to change the agency relationship at any time before the performance of the act which is the object of the agency with the written consent of the parties to the agency relationship. **2079.24** Nothing in this article shall be construed to either diminish the duty of disclosure owed buyers and sellers by agents and their associate licensees,

2079.24 Nothing in this article shall be construed to either diminish the duty of disclosure owed buyers and sellers by agents and their associate licensees, subagents, and employees or to relieve agents and their associate licensees, subagents, and employees from liability for their conduct in connection with acts governed by this article or for any breach of a fiduciary duty or a duty of disclosure.

BUYER'S INSPECTION ADVISORY

(C.A.R. Form BIA, Revised 11/14)

Property Address ______ Intentionally left blank

- 1. IMPORTANCE OF PROPERTY INVESTIGATION: The physical condition of the land and improvements being purchased is not guaranteed by either Seller or Brokers. You have an affirmative duty to exercise reasonable care to protect yourself, including discovery of the legal, practical and technical implications of disclosed facts, and the investigation and verification of information and facts that you know or that are within your diligent attention and observation. A general physical inspection typically does not cover all aspects of the Property nor items affecting the Property that are not physically located on the Property. If the professionals recommend further investigations, including a recommendation by a pest control operator to inspect inaccessible areas of the Property, you should contact qualified experts to conduct such additional investigations.
- **2. BROKER OBLIGATIONS:** Brokers do not have expertise in all areas and therefore cannot advise you on many items, such as those listed below. If Broker gives you referrals to professionals, Broker does not guarantee their performance.
- 3. YOU ARE STRONGLY ADVISED TO INVESTIGATE THE CONDITION AND SUITABILITY OF ALL ASPECTS OF THE PROPERTY, INCLUDING BUT NOT LIMITED TO THE FOLLOWING. IF YOU DO NOT DO SO, YOU ARE ACTING AGAINST THE ADVICE OF BROKERS.
 - A. GENERAL CONDITION OF THE PROPERTY, ITS SYSTEMS AND COMPONENTS: Foundation, roof (condition, age, leaks, useful life), plumbing, heating, air conditioning, electrical, mechanical, security, pool/spa (cracks, leaks, operation), other structural and nonstructural systems and components, fixtures, built-in appliances, any personal property included in the sale, and energy efficiency of the Property.
 - **B. SQUARE FOOTAGE, AGE, BOUNDARIES:** Square footage, room dimensions, lot size, age of improvements and boundaries. Any numerical statements regarding these items are APPROXIMATIONS ONLY and have not been verified by Seller and cannot be verified by Brokers. Fences, hedges, walls, retaining walls and other barriers or markers do not necessarily identify true Property boundaries.
 - C. WOOD DESTROYING PESTS: Presence of, or conditions likely to lead to the presence of wood destroying pests and organisms.
 - D. SOIL STABILITY: Existence of fill or compacted soil, expansive or contracting soil, susceptibility to slippage, settling or movement, and the adequacy of drainage.
 - E. WATER AND UTILITIES; WELL SYSTEMS AND COMPONENTS; WASTE DISPOSAL: Water and utility availability, use restrictions and costs. Water quality, adequacy, condition, and performance of well systems and components. The type, size, adequacy, capacity and condition of sewer and septic systems and components, connection to sewer, and applicable fees.
 - **F. ENVIRONMENTAL HAZARDS:** Potential environmental hazards, including, but not limited to, asbestos, lead-based paint and other lead contamination, radon, methane, other gases, fuel oil or chemical storage tanks, contaminated soil or water, hazardous waste, waste disposal sites, electromagnetic fields, nuclear sources, and other substances, materials, products, or conditions (including mold (airborne, toxic or otherwise), fungus or similar contaminants).
 - G. EARTHQUAKES AND FLOODING: Susceptibility of the Property to earthquake/seismic hazards and propensity of the Property to flood.
 - H. FIRE, HAZARD AND OTHER INSURANCE: The availability and cost of necessary or desired insurance may vary. The location of the Property in a seismic, flood or fire hazard zone, and other conditions, such as the age of the Property and the claims history of the Property and Buyer, may affect the availability and need for certain types of insurance. Buyer should explore insurance options early as this information may affect other decisions, including the removal of loan and inspection contingencies.
 - BUILDING PERMITS, ZONING AND GOVERNMENTAL REQUIREMENTS: Permits, inspections, certificates, zoning, other
 governmental limitations, restrictions, and requirements affecting the current or future use of the Property, its development or size.
 - J. RENTAL PROPERTY RESTRICTIONS: Some cities and counties impose restrictions that limit the amount of rent that can be charged, the maximum number of occupants, and the right of a landlord to terminate a tenancy. Deadbolt or other locks and security systems for doors and windows, including window bars, should be examined to determine whether they satisfy legal requirements.
 - K. SECURITY AND SAFETY: State and local Law may require the installation of barriers, access alarms, self-latching mechanisms and/or other measures to decrease the risk to children and other persons of existing swimming pools and hot tubs, as well as various fire safety and other measures concerning other features of the Property.
 - L. NEIGHBORHOOD, AREA, SUBDIVISION CONDITIONS; PERSONAL FACTORS: Neighborhood or area conditions, including schools, law enforcement, crime statistics, registered felons or offenders, fire protection, other government services, availability, adequacy and cost of internet connections or other technology services and installations, commercial, industrial or agricultural activities, existing and proposed transportation, construction and development that may affect noise, view, or traffic, airport noise, noise or odor from any source, wild and domestic animals, other nuisances, hazards, or circumstances, protected species, wetland properties, botanical diseases, historic or other governmentally protected sites or improvements, cemeteries, facilities and condition of common areas of common interest subdivisions, and possible lack of compliance with any governing documents or Homeowners' Association requirements, conditions and influences of significance to certain cultures and/or religions, and personal needs, requirements and preferences of Buyer.

BIA REVISED 11/14 (PAGE 1 OF 1)

BUYER'S INSPECTION ADVISORY (BIA PAGE 1 OF 1)

CALIFORNIA CONSUMER PRIVACY ACT ADVISORY

(C.A.R. Form CCPA, 12/19)

As of January 1, 2020, the California Consumer Privacy Act (commencing with Civil Code § 1798.100) ("CCPA") grants to California residents certain rights in their private, personal information that is collected by companies with whom they do business. Under the CCPA, "personal information" is defined broadly to encompass non-public records information that could reasonably be linked directly or indirectly to you, including, potentially, photographs of or sales information about your property. Some of your personal information will be collected and likely shared with others during the process of buying and selling real estate. Depending on the situation, you may have the right to "opt out" or stop the transfer of your personal information to others and request that certain businesses delete your personal information altogether. Not all businesses you interact with are required to comply with the law, primarily just those who meet the criteria of a covered "Business" as set forth in Section 1798.140 (c)]. For more information, you may ask your Broker for a copy of the C.A.R. Legal Q&A on the subject.

A real estate broker is likely to submit personal information to a Multiple Listing Service ("MLS") in order to help find a buyer for a seller's property. Through the MLS, the information is made available to real estate brokers and salespeople, and others. Even after a sale is complete, the MLS distributes sales information to the real estate community. Brokers, agents and MLSs may also share your personal information with others who post the personal information on websites or elsewhere, or otherwise use it. Thus, there are various service providers and companies in a real estate transaction who may be engaged in using or sharing data involving your personal information.

If your broker is a covered Business, it should have a privacy policy explaining your rights on its website and giving you an opportunity to request that personal information not be shared, used and even deleted. Even if your real estate brokerage is a covered Business, it needs, and is allowed, to keep your information to effectuate a sale and, by law, is required to maintain such information for three years to comply with regulatory requirements. Not all brokers are covered Businesses, however, and those that are not, do not have to comply with the CCPA.

Similarly, most MLSs will not be considered a covered Business. Instead, the MLS may be considered a Third Party in the event a covered Business (ex: brokerages, real estate listing aggregation or advertising internet sites or other outlets who meet the criteria of covered Businesses) exchanges personal information with the MLS. You do not have the right under the CCPA to require a Third Party to delete your personal information. And like real estate brokerages, even if an MLS is a covered Business, MLSs are also required by law to retain and make accessible in its computer system any and all listing and other information for three years.

Whether an MLS is a covered Business or a Third Party, you have a right to be notified about the sharing of your personal information and your right to contact a covered Business to opt out of your personal information being used, or shared with Third Parties. Since the MLSs and/or other entities receiving your personal information do not have direct contact with buyers and sellers and also may not be aware of which entities exchanging personal information are covered Businesses, this form is being used to notify you of your rights under the CCPA and your ability to direct requests to covered Businesses not to share personal information with Third Parties. One way to limit access to your personal information, is to inform your broker or salesperson you want to opt-out of the MLS, and if so, you will be asked to sign a document (Form SELM) confirming your request to keep your listing off the MLS. However, if you do so, it may be more difficult to sell your property or obtain the highest price for it because your property will not be exposed to the greatest number of real estate licensees and others.

I/we acknowledge receipt of a copy of this California Consumer Privacy Act Advisory.
